

NEWSLETTER

WEEK OF 5/21

Hello Central MinuteBots! Here is your update for the week of May 21:

In this week's newsletter:

- Our end of season celebration this Saturday, May 28th!
 - Brief full team meeting this Friday
 - Off season meetings continue
-

Upcoming Schedule

- Monday, May 23, 3:00pm-5:00pm (optional meeting in shop)
 - Wednesday, May 25, 3:00pm-5:00pm (optional meeting in shop)
 - Friday, May 27, 3:00pm-5:00pm (Full team meeting in shop, we ask that everyone attend)
 - Saturday, May 28, 3:00pm - 5:00pm (End of season celebration)
-

Full Team Meeting On Friday 5/27

There will be a brief full team meeting after school this Friday. There will be some important announcements and information. We ask that everyone make it a point to attend. Again, this will be a short meeting.

Off Season Meetings

For the rest of the school year, we will have optional meetings in the shop on Monday, Wednesday, and Friday, from 3 until 5. Right now, we are working on two efforts: getting several robots driveable (mostly a coding effort) and figuring out how to add motors and control to a toy Star Wars droid shell.

End of Season Celebration 5/28

As we wrap up this exciting year, we have one last big event scheduled: the end-of-season celebration! This year, we will be hosting the event at the Two Bit Game Room which has free play arcade games and a party room with a screen. The celebration will be held on Saturday, May 28th from 3:00pm to 5:00pm.

This event will be super fun and we would love to see everyone on the team (families are invited too!) come and hang out. We will be doing end-of-season awards, slideshows of this season, video recaps, and various other fun things. Come with your funniest robotics team anecdotes, make a slideshow highlighting your favorite moments from the team, make a mini video recap -- or just come and enjoy the show!

Dessert will be provided by the MinuteBot Boosters but we would love it if each team member also brought a food item to share.

We hope to see you all there!
- Karina and the Business team

Have a great start to your week!
